International healing symposium at Amrita

Staff Reporter

Coimbatore: The Centre for Environment Studies of the Amrita Vishwa Vidyapeetham University will organise a symposium on "Healing across cultures" here on July 9. A university release has said that it would be held in association with the Centre for Healing across Cultures, Cleveland State University, Ohio, the U.S.. The centre developed scientific approaches on systems and techniques of traditional healing practices of different cultures. Seven scientists from Cleveland State University would attend. A comparative analysis of different medicinal systems would be discussed. Research papers would be presented by experts. The scope of collaborative research between Amrita University and Cleveland State University would be discussed.
