KOLLAM: The Amrita Vishwa Vidyapeetham, Amritapuri Campus, celebrated the National Science Day on February 27 and 28. As part of the celebrations, a science exhibition was conducted in association with the Vikram Sarabhai Space Centre and Science and Technology Museum, Thiruvananthapuram. Video shows on several frontier areas in science and technology and seminar sessions by experts from various scientific fields were the highlights of the two-day event.

Students from Amrita School of Ayurveda, Amrita School of Bio-technology, Amrita School of Engineering, and Amrita School of Arts and Science, and from neighbouring schools and colleges participated enthusiastically.
