There are two types of education, Education for Living and Education for Life.
A Message from The Chancellor

Amma Says…..

When we study in college, striving to become a professional - this is education for a living. On the other hand, education for life requires understanding the essential principles of spirituality. This means gaining a deeper understanding of the world, our minds, our emotions, and ourselves. We all know that the real goal of education is not to create people who can understand only the language of machines. The main purpose of education should be to impart a culture of the heart - a culture based on spiritual values.

Communication through machines has even made people in far off places seem very close. Yet, in the absence of communication between hearts, even those who are physically close to us seem to be far away.

Today’s world needs people who express goodness in their words and deeds. If such noble role models set the example for their fellow beings, the darkness prevailing in today’s society will be dispelled, and the light of peace and non-violence will once again illumine this earth. Let us work together towards this goal.

Education for Life

The main purpose of education should be to impart a culture of the heart - a culture based on spiritual values

My conviction is that science, technology and spirituality must unite in order to ensure a sustainable and balanced existence of our world.

Our Vision

We envision a world endowed with the wealth of knowledge and the strength of discrimination (Viveka).

We envision a system, which is a healthy breeding ground for the sprouting, culturing and dissemination of the whole gamut of knowledge in a wholesome and holistic manner for the well-being of humankind.

We envision a human being empowered with wholesome knowledge, which makes one an enabler and facilitator in the deep search and striving of every human being for that knowledge.

We envision a system wherein there is a great interplay and exchange of ideas, thoughts, feelings and actions, which develop people empowered with noble character and wholesome values. They go out into the fields of action to build a world of love, harmony, peace and knowledge. They follow the path of ‘Dharma’ and give a clear direction in every thought and human endeavor.

Ashwati Nair
CSS CORP

Our college has well trained and dedicated faculty members whose teachings always facilitate the students to sprout out with the innovative ideas and transforming minds. After three years of MCA I got placed in CSS Corp Chennai through Campus recruitment.

Vishnu N Bhat
BNP Paribas

It was indeed my best decision to join one of the most sought after and finest colleges in the state. Amrita provides a perfect balance between academics and culture. Various activities like Internships, Industrial visits, Workshops, Lectures by experts from Industry help to bridge the gap between Academics and Industry.
Our library has a large collection of books, journals and magazines. The exhaustive collection of books also include many international editions. Reading area is also provided for facilitating quiet reading and self learning for the students. Visual Media department has a separate collection of Books, Journals and more than 500 World Film classics. This adds fervour and quality to the guided sessions on film appreciation.

Library is also equipped with a Digital Library System with an excellent archive of more than 2000 GB information in all subject areas in different formats. Online access to IEEE journals and innumerable international databases.

Digital Library
Access to the Amrita Digital E-Learning Library, an extensive and incomparable pool having rich pool of information on literature, class notes, slides, speeches, interviews, text books and research materials from all renowned universities and organizations.
A group named Samskriti started at the campus on 9th September 2009. About 200 students from both UG and PG batches constitute the core group of Samskriti volunteers. The group aims at practising ethical values and serving the fellow beings inspired by teachings from all Mahatmas like Amma. Selected students from the group are trained to do self-help activities like recycling waste, doll making, fancy item making, stitching and embroidery etc. Resources generated are used for helping the children at Amma’s Tribal Orphanage at Parippally, Matruchaya Orphanage, Tribal Villages in Wayanad, Thattekkad, etc. Visits are made to Goshala, Cancer centres, Pain and Palliative Care Centres etc. Students do this during their spare time.

Samskriti - a Cultural Group

The group aims at practising ethical values and serving the fellow beings, inspired by the teachings of Amma.

Walking with KMA, aspiring youth have been able to become aware of the learning situations in management and maximise their potential leading to the corporate limelight. To fructify the above objectives, Amrita School of Arts and Sciences, Kochi had become the Associate Corporate Membership of KMA (No. ACMB_198) from the academic year 2016-17. This has given extreme leverage to students and faculty in the knowledge sharing sessions by being in the vicinity of many professionals and gatherings.

Kayikamritam - Annual Sports

School conducts sports event ‘Kayikamritam’ every year. Students participate in various indoor and outdoor games like Chess, Carroms, Badminton, Throw Ball, Basket Ball, Cricket. etc.

Kalamritam - the cultural fiesta

School conducts a popular annual cultural fiesta ‘Kalamritam’ spanning three days focused mainly in Indian culture, arts and music. Our students have participated in the South Zone Inter University Youth Festival and won prizes.
Amrita Faculty, Philosophy and Facilities

We give prime importance to quality teaching, research and ethical orientation. Dedicated efforts of the teaching community make this a reality.

Our dedicated group of teachers, visiting experts and consultants inspired by AMMA's call for selfless service, form the core of the school faculty. “To give the best of training to the students as offering to the Divine”, is AMMA's foreword to Her children at Amrita.

Apart from this we have adjunct visiting and guest faculty also consists of experts drawn from various other Universities, Industries and Research Organizations.

Other Facilities

Power Supply
Institute is equipped with high capacity uninterrupted power supply (UPS) systems.

Wi-Fi
Campus is totally Wi-Fi enabled for academic and other purposes for staff and students.

Administrative Support for getting Bank Loan
School extends proper guidance, counselling and recommendation to obtain Educational Bank Loans. Many present students are beneficiaries of this Service.

Water Filter Plant, Effluent Treatment (ETP) Plant and Waste Management System
Campus has a high capacity modern water treatment plant to facilitate supply of pure drinking water. There is also a high capacity ETP facility and waste management system.

Transport Facilities for day scholars
College bus facilities are available for students coming from Kochi and neighbouring places like Cheranelloor, Elamakkara, Paravur, Ayyappankavu, Kodungalloor, Vypin, Nayarambalam, Tripunithura, Fort Kochi, Aluva, Kakkanad, Thrikkakara, Angamaly, Perumbavoor, etc.
Ashram Hostel

Accommodation is provided in the Ashram Hostel for girls only after screening selection. Hostel is directly managed by the ashram under the supervision of staff. Food is strictly vegetarian. Since the School is located close to our Healthcare Campus, our super specialty hospital AIMS is accessible to the campus community for tertiary healthcare needs.

Ashram Hostel residents will have to strictly and compulsorily adhere to the separate norms, discipline, routine and strictures of the hostel, befitting the ashram spiritual environment.

For the ethical orientation and for improving the will power, concentration and positive energy absolutely essential for the strenuous academic pursuit, the hostel daily routine provides opportunity for Sadhana in the morning and evening, which includes Japa, Meditation, Yoga, chanting of Sri Lalitha Sahasranama, vedas, etc.

Special exclusive mentoring sessions are conducted for hostel residents in yoga, discourses on values, life skills for confidence building.

Coaching facilities are available for those students interested in learning dance, instruments like Violin, Harmonium, Guitar, Tabla and Keyboard and vocal music.

Students are encouraged to do selfless service for organic farming, environmental activities and community outreach programme.

Amma - Sri Mata Amritanandamayi Devi

Spiritual leader and humanitarian, Sri Mata Amritanandamayi Devi, known throughout the world simply as Amma or universal mother, has served the world-community for decades, imparting wisdom, strength and inspiration. Through her extraordinary acts of love, inner strength and self-sacrifice, Amma has inspired charity projects in more than 40 countries. This worldwide humanitarian movement is expanding day by day, as more and more people feel inspired by Amma’s example to share their time, energy and resources with those in need — both across the globe and in their own communities.

Humanitarian Activities

- Anna Danam – feeding 2 million poor and under privileged people every year
- Amrita Aranya Jeevanam – educational facilities and healthcare for tribals
- Amrita Bharatam Campaign (ABC) – humanitarian oriented project on environment
Mata Amritanandamayi Math’s humanitarian programs are multifaceted with several goals: to help the needy; to bring in modern technology and to inspire compassion and a sense of oneness with our fellow human beings, whatever their background may be. The programs strive to alleviate the burden of the world’s poor by providing the five basic needs — food, shelter, healthcare, education and livelihood — wherever and whenever possible. We are especially focused on helping to meet these needs in the aftermath of major disasters. Augmenting these efforts, we work in the fields of environmental conservation and sustainability to help protect the future of our fragile planet. And through Amrita University, our researchers are innovating new means of delivery of goods, knowledge, information, energy, and healthcare so that we can get help to those in need here and now, wherever they are.
Aum sree gurubyo namaha

Aum saha navavatu saha nau bhunaktu, Saha veeryam kara vavahai
Thejasvi nava dheeathamastu, Maa vidvisha vahai
Aum santi santi santi hi
0 Lord, protect us as one, nourish us, Lord, as one. Let us flourish in Thy strength as one.
Let our knowledge be changed to Light and ignorance and hate to Pure Love.
Aum peace peace peace...

Aum asatoma sadgamaya, Thamasoma jyothis gamaya
Mrityorma amritham gamaya, Aum santi santi santi hi
Lead us from untruth to truth; From darkness to Light; From death to Immortality.

Aum lokaha samasthaha sukhino bhavanthu
Lokaha samasthaha sukhino bhavanthu
Lokaha samasthaha sukhino bhavanthu
Aum santi santi santi hi
Let Peace and Prosperity come to all the beings in the world.

Aum sarvesham swasthir bhavathu, Sarvesham santhir bhavathu
Sarvesham poomam bhavathu, Sarvesham mangalam bhavathu
Aum santi santi santi hi
May perfection prevails on all; May peace prevails on all;
May contentment prevails on all; May auspiciousness prevails on all.

Aum poomamada poomamidam, Poomath poomam udachyate
Poomasya poomam aadaya, Poomam eva avasishyate
Aum santi santi santi hi
That is whole, this is whole; From the whole, the whole arises;
Taking away the whole from the whole,
the whole remains.....

The flame from a single lamp can lit many; yet all the flames are alike. Likewise,
all the beings in this world are manifestations of the same God.
0 Lord give me the strength to see the divinity in others and serve them.
