SPONSORSHIP BROCHURE

8th National Level Techfest
anOKha 2018
FEB 22, 23, 24
A renowned humanitarian leader and spiritual teacher, Sri Mata Amritanandamayi Devi (AMMA) is the guiding light and Chancellor of Amrita Vishwa Vidyapeetham.

“It is AMMA’s prayer that we develop the expansive-mindedness to embrace both scientific knowledge and spiritual wisdom. We can no longer afford to see these two streams of knowledge as flowing in opposite directions. In truth, they complement one another. If we merge these streams, we will find that we are able to create a mighty river—a river whose waters can remove suffering and spread life to all of humanity.”

AMMA’s concept of education stress on shaping the university into an institution where advancements and discoveries combine with compassion and service-mindedness. AMRITA strives to provide EDUCATION FOR LIFE in addition to EDUCATION FOR LIVING.
Amrita Vishwa Vidyapeetham is a multi-campus, multi-disciplinary research university that is accredited ‘A’ by the National Assessment and Accreditation Council (NAAC). Amrita is ranked as the 9th best university in India in the National Institutional Ranking Framework (NIRF) of Govt. of India.

Amrita Vishwa Vidyapeetham is ranked as the top private Indian university in various Times Higher Education and Quacquarelli Symonds International world university ranking lists; most recently the QS Asia rankings 2017

The university is spread across five campuses in three states of India – Tamil Nadu, Kerala and Karnataka, with the university headquarters at Ettimadai, Coimbatore, Tamil Nadu. The Coimbatore campus currently boasts nearly 6000 students and 400 faculty members.
Anokha, the national tech fest of Amrita School of Engineering, Coimbatore, is a 3-day congregation of some of the brightest minds in India. Founded in 2010, Anokha has grown by leaps and bounds and has progressed to become one of the most popular and top tech fests in India. Having successfully completed seven editions, this pan-India event has had an average annual participation of over 15000 of the best undergraduate engineering students from top-ranking engineering institutions in India like IITs, BITS, NITs and IIITs participating as well as partner universities in USA and Europe like University of New Mexico, EVRY France and Uppsala University-Sweden.

Anokha is THE FIRST techfest in India with accreditation and support from United Nations Academic Impact (UNAI). UNAI IS a United Nations initiative to align institutions of higher education, scholarship and research with the United Nations and with each other. Anokha also has the distinction of having a TEDx event co-located and held in conjunction with a techfest for the first time in India.

Taking up themes of global importance like Innovation, sustainable development, green trends, Technopolis - smart city, national security, it witnesses 100+ contests and events and 30+ workshops in various domains like Engineering, Robotics, Gaming, Business, Start-up Pitchfest, Social Media, Finance, Cubing etc, including its own edition of TEDx-like talks called “Lumiere”. Other highlights of the techfest have included fascinating exhibitions & Autoshow, Meet the CEO programme, distinguished lecture series, school outreach, product design, development & demonstration, project and working model demonstration and spectacular entertainment shows.

Some of the world renowned artists who have been part of the entertainment spectacle include Percussionist, Sivamani; playback singers, Vijay Prakash, Haricharan, Benny Dayal, Karthik and keyboardist Stephen Devassy.

Anokha provides the students an invaluable chance to discover, develop and demonstrate their talent, to excel and provides an innovative podium to stand on and succeed.
