About Us

Amrita Vishwa Vidyapeetham University is a multi-campus, multi-disciplinary research university that is accredited ‘A’ by NAAC and is ranked as one of the best research universities in India. The university continuously collaborates with top US universities including Ivy league universities and top European universities for regular student exchange programs, and has emerged as one of the fastest growing institutions of higher learning in India. The university is managed by the Mata Amritanandamayi Math. In the 12th edition of the annual rankings released, Amrita University has been placed in the list of 601-800 category. Amrita University is the only Private Indian University according to Times Higher Education BRICS University Rankings.

Scope of the Conference

The role of manufacturing in the country’s economy and societal development has long been established through their wealth generating capabilities. To enhance and widen our knowledge of materials and to increase innovation and responsiveness to ever-increasing international needs, more in-depth studies of functionally graded materials/ tailor-made materials are needed at present. The objective of this conference is to bring together experts from academic institutions, industries and research organizations and professional engineers for sharing of knowledge, expertise and experience in the emerging trends related to advanced materials processing, and characterization. This conference is dedicated to bring up substantial discussions on major sectors of advanced processing, material characterization, modeling and simulation, properties, performance and device fabrication and to foster Hon’ble Prime Minister’s prestigious mission of Make in India.

Journal Publication

All the accepted papers after peer review and plagiarism check will be published in the following: Scopus Indexed Journals

IOP Conference Series: Materials Science and Engineering
Online ISSN: 1757-899X
Print ISSN: 1757-8981
Materials Today: Proceedings
Elsevier Publications
ISSN: 2214-7853

Registration

Upon acceptance of the paper, it is mandatory for at least one author of an accepted paper to register and present it in the conference in order for the paper to appear in the proceedings and included in the Technical Program.

Category
- National Delegates (R&D Organizations, Industries)
- National Delegates (Academia)
- Student Delegates (UG/PG & Full Time Research Scholars)
- International Delegates (Academia, R&D Organizations, Industries)
- International Delegates (Students)
- Accompanying Persons / Listeners

Conference Visa
