

Global meet of psychiatrists in Kochi

Special Correspondent

KOCHI: Amrita Institute of Medical Sciences here will host the Indian global psychiatric initiative 2012, an international conference of psychiatrists, in association with Indo-Australia Psychiatric Society and Indo-New Zealand Psychiatric Society. The two-day event will be inaugurated by K.C. Venugopal, Minister of State for Power.

Experts from US, Canada, Australia, New Zealand, U.K., Japan, France, Italy, China, Germany, Sri Lanka, Russia and other countries will participate in the programme. About 500 delegates are expected to attend the sessions, said N. Dinesh, organising secretary of the conference.
