

Meet of cardiologists held: A one-day meet of cardiologists from India and abroad titled 'Amrita Heart Failure Update-2018' was held at Amrita Institute of Medical Sciences, Kochi, on Friday. Dr Rajiv C, professor of the department of cardiology, AIMS, said that women patients were more prone to heart failure and mortality rate for them was about 9% during hospitalization. Doctors also said that diabetes play a crucial role in contributing to rising incidence of heart failure.
