

## ICTEE from Jan 3 on Amrita Campus

**Kollam:** Nobel laureate economist Muhammad Yunus will be the chief guest at the inauguration of the International Conference on Technology Enhanced Education, (ICTEE 2012), to be held on Amritapuri Campus of the Amrita University from January 3 to 5.

The conference, the theme of which is 'Educational Technology for Social Benefit,' will discuss and deliberate on ways and means to raise the level of education in India with the help of emerging technologies.

In a statement issued here on Friday, Vice-Chancellor of Amrita University P Venkat Rangan said that Muhammad Yunus won the Nobel Peace Prize for his outstanding contribution to the uplift of ordinary people, primarily

with the use of information technology, and this was also a mission undertaken by the University, which had pioneered the use of latest infor-
