National Award Winner for Best Technology Business Incubator in the country

Kochi: Amrita University's Technology Business Incubator (TBI), in partnership with Government of India's policy think tank, NITI Aayog, will hold its first Startup Hub event at the Kochi campus on September 23, 2017.

Kochouseph Chittilappilly, Founder, Chairman, and CEO of V-Guard Industries, will deliver the keynote address as the Chief Guest. Prabhjot Bakshi, Director, Getwings and Microsoft's Regional Director in Ahmedabad will be the technical speaker of the day. The versatile event has a diverse group of experts with similar ideologies that includes Prof. Sunanda Muralidharan, Chairperson, Amrita School of Business, Kochi.

Said Dr. Krishnashree Achuthan, CEO, Technology Business Incubator, Amrita University: "The Startup Hub will bring together enthusiasts, entrepreneurs, idea seekers, venture capitalists and angel investors on a common platform. It will allow budding entrepreneurs and students to get first-hand information from experts, take their startup idea to the next level and offer them a plethora of business opportunities. The event is a part of Amrita TBI's workshop series which exposes entrepreneurs to some of the most successful business professionals and their intriguing insights."

Amrita University's Technology Business Incubator recently won the National Award for being the best Technology Business Incubator in the country from the Dept. of Science and Technology, Government of India.
