

COIMBATORE

## Amrita School of Engineering to conduct National Science Olympiad

**SPECIAL CORRESPONDENT**

COIMBATORE, JULY 20, 2019 00:35 IST

UPDATED: JULY 20, 2019 00:35 IST

Amrita School of Engineering will conduct the second edition of the National Science Olympiad and Young Scientist Conclave on October 30 and 31.

According to a press release from the institution, the theme for the second edition is 'Smart City: Sustainable Solutions for a Self-Sustaining Future'. Topics include smart waste management, smart water management, renewable energy, disaster prevention and warning systems, smart farming and agriculture, smart pollution management, smart health care, artificial intelligence for common man, robotics for societal benefit and integrated multi-modal transport system.

The Olympiad comprises of two categories – high school (classes seven – nine) and higher secondary school (classes 10 – 12).

The institution said it had started the registration on July 4 and it would go on till September 5.
