

President to launch A-VIEW on Nov 11

Thiruvananthapuram, Nov 7 : President Pranab Mukherjee will launch the latest version of Amrita University's e-Learning platform, A-VIEW (Amrita Virtual Interactive E-Learning World), running on the Aakash tablet, on November 11 at 1130 hrs at Vigyan Bhavan in New Delhi.

An Amrita press release here today said 14,000 teachers across 240 remote centers will attend the launch as part of the workshop on Aakash by IIT Bombay. The event will be broadcast live to all remote centers through A-VIEW. On the occasion, the President will address thousands of faculty members and students across the nation who will have their hands on Aakash running A-VIEW software.

Amrita E-learning Research Lab has developed the Mobile version of A-VIEW for the new version of Aakash tablet. Prof. Kamal Bijlani, Director, Amrita E-Learning Research Lab, said that A-VIEW 3.0, the latest version, comes packed with various unique knowledge sharing modules, high performance, better reliability, and features to handle huge classes easily. Mr Pranab Mukherjee will launch A-VIEW in the presence of Union Minister for HRD M M Pallam Raju and Ministers of State for HRD Shashi Tharoor and Jitin Prasada and other eminent personalities.
