Stroke management programme held in Kochi

- Staff Reporter

The District General Hospital in association with the Amrita Institute of Medical Sciences and IMA, Kochi, on Tuesday conducted a medical education programme on acute stroke management.

The programme was aimed at making the general practitioners understand about the basic management of stroke in Emergency Room and the principle of stroke management. The event also marked observing the World Stroke Day that falls on October 29.

Experts opined that acute stroke management facility is much less compared to the incidences of stroke.

During the programme, the tele-stroke management facility was also inaugurated at the General hospital by District Collector M.G.Rajamanickam.

Emergency medicine experts Dr. Gireesh Kumar, Dr. Sreekrishnan T.P, Dr. Ajith V. and stroke management experts Dr. Vivek Nambiar and Dr. Sreehari spoke on the occasion.
