**Mysore/Mysuru: Amrita Vishwa Vidyapeetham**, Mysuru Campus, has organised a Webinar on ‘Recent Trends in Commerce and Management’ on July 10 at 11 am. Commerce is not just about Accounting. There are many new developments in the field, which have opened up lot more career options for Commerce graduates. This Webinar is focused on giving a glimpse of all the latest trends in Commerce and Management education, such as, professional accounting, social accounting, green accounting, NGO management etc.

Raksha Kuthnikar, an alumna of Amrita Mysuru, a trainer for CA and CS students at Ekcel Academy, Mysuru, is the resource person.

A Webinar on “Let’s Talk Photography” will be held on July 12 at 11 am.

One click and that photograph is powerful enough to not only remind us of an event or detail, but can bring all the feelings and sounds of that moment. And what’s important is what you see, how you see it through the lens says, Neeta Shankar, Wedding and Lifestyle Photographer, GodoxIndia Official Brand Ambassador, Nikon proficient and one among the Top 20 Women Photographers in India.

Through the webinar, she would throw light on careers with photography besides sharing tips on how to capture better images using DSLR.
