Vision

We envision a world endowed with the wealth of knowledge and the strength of discrimination

We envision a system, which is a healthy breeding ground for the sprouting, culturing and dissemination of the whole gamut of knowledge in a wholesome and holistic manner for the well-being of humankind.

We envision a human being empowered with wholesome knowledge, which makes one an enabler and facilitator in the deep search and striving of every human being for that knowledge

We envision a system wherein there is a greater interplay and exchange of ideas, thoughts, feelings and actions, which develop people empowered with noble character and wholesome values. They go out into the fields of action to build a

world of love, harmony, peace and knowledge. They follow the path of 'Dharma' and give clear direction in every thought and human endeavor.

Mission

To provide Value-based education and mould the character of the younger generation through a system of **wholesome learning**, so that their earnest endeavor to achieve progress and prosperity in life is matched by an ardent desire to **extend selfless service to the society**, one complementing the other.
