To my dear students from 2020-24 batch,

Namah Shivaya and Warm Greetings.

SUSWAGATAM. Welcome to Amrita School of Engineering, Chennai.

I am extremely happy to inform you that your online induction programme is scheduled on **19<sup>th</sup> October 2020 (Monday)**. This will be followed by a week-long orientation programme, which will then be followed by your regular classes. You will receive the programme schedule and link for the online induction programme one day in advance.

Amrita is synonymous with excellence - the buzzwords being world-class technological infrastructure; cutting-edge research; application-oriented, outcome-based and industry-related curricula; myriad international programmes; enriching social initiatives and vibrant student life. Amrita also encapsulates, our Chancellor Amma's vision to go beyond "Education for Living" by encompassing "Education for Life". So, there is equal emphasis on knowledge, experiential learning, discipline, and spirituality – in short strengthening your intellect while expanding your hearts.

In Amma's words: "We all know that the real goal of education is not to create people who understand only the language of technology; the main purpose of education should be to impart a culture of the heart, a culture based on spiritual values."

One essential commonality in today's world is our efforts to combat covid19 and its accompanying upheavals at all levels. At Amrita, students will be provided unparalleled opportunities to excel and harness your skills in your areas of interests. Amrita School of Engineering (ASE), Chennai, is committed to the cause of education while also ensuring the physical and mental wellbeing of

all. The singular focus is to surmount challenges by bolstering our support to strengthen one's confidence, will and resilience.

Parents can be rest assured that their children are entrusted in safe hands. Students, apprehend reality, renew your purpose in life, and equip yourself to script your Future. You can be confident that we will extend everything required, to strengthen your technical knowledge, acquaint you with industry-relevant skills, indulge in thrust areas of research, sharpen your hands-on product-building experience, and develop holistically with life-values for enduring success throughout your life.

Let us commence this journey together. I can assure you on behalf of all our faculty that you will experience a new warmth, passion and selfless dedication while interacting with them. Do feel free to interact with all of us and make the best of the opportunities coming your way in the next four years.

ASE, Chennai, heartily Welcomes Parents and Students to the Online Induction Programme on **Monday, 19<sup>th</sup> October 2020.**

Lokah Samstha Sukhino Bhavanthu

With best wishes,

Dr P.Shankar (Principal, ASE, Chennai Campus) and  
Mr I.B.Manikantan (Campus Director, AVV, Chennai Campus)
